

## **CHILD CARE GUIDELINES Korea** ***(please keep this page for your records)***

A nursery will be provided for camp staff, volunteers and participants of workshops by “reservation only.” The nursery is for those children (infant to three years of age) who are not attending camp.

Guidelines have been established to make this process run as efficiently as possible.

- Each child is to be signed in. When you sign them in, you are to put children’s name(s) ages(s), parent’s location, who the child can be released to and note any information that care givers should be aware of (ex: allergies, feeding, etc.)
- Please pick up your child(ren) as soon as your shift or workshop is over.
- When picking up your child(ren), please wait at the door for the care giver to bring your child to you. **Only care givers are allowed in the nursery area.**
- If a child becomes inconsolable, you will be paged to come back to the nursery.
- Please include the following labeled items in your diaper bag:
  1. Diapers
  2. Pre-mixed bottles
  3. A pacifier (if needed)
  4. A complete change of clothes
  5. A drink cup (for older children)
  6. If your child is in the process of toilet training, bring extra training pants.

For safety reasons, parents and siblings are asked not to enter the nursery. A caregiver will meet you at the door.

For the protection of all the children in the nursery, please do not bring your child if they show the following signs:

- Fever (must be fever free without medication for 24 hours)
- Nausea, vomiting, diarrhea (free of these symptoms for 24 hours)
- Cold-excessive cough
- Heavy nasal discharge
- Any unexplained rash
- Any skin infection
- Any inflammation or discharge from eyes
- Head lice

**When in doubt please apply the Golden Rule.**

All care givers in the nursery have had background checks and have been approved by Dillon International. You may take your child to the nursery 15 minutes before your shift or workshop. Remember, please pick your child up immediately after your shift or workshop. **No drop in’s will be allowed.** These guidelines are made to protect your children. Please help us by complying with them.
